Dear Hiring Manager,

Re: Cover Letter Template

If you recieved my real resume and find yourself here, you might enjoy taking a peek at this resume, too. Or, if you're someone like me, feel free to use this resume template (see notes in the README).

I've already spent an hour filling my fake resume with text. I don't plan to write much more for this cover letter. Here comes the lorem ipsum...

Nam arcu libero, nonummy eget, consectetur id, vulputate a, magna. Donec vehicula augue eu neque. Pellentesque habitant morbi tristique senectus et netus et malesuada fames ac turpis egestas. Mauris ut leo. Cras viverra metus rhoncus sem. Nulla et lectus vestibulum urna fringilla ultrices. Phasellus eu tellus sit amet tortor gravida placerat. Integer sapien est, iaculis in, pretium quis, viverra ac, nunc. Praesent eget sem vel leo ultrices bibendum. Aenean faucibus. Morbi dolor nulla, malesuada eu, pulvinar at, mollis ac, nulla. App that does Y

- Gained the imposter syndrome mentioned in the above project
